# 60th Anniversary Edition of the Sagitta Yearbook

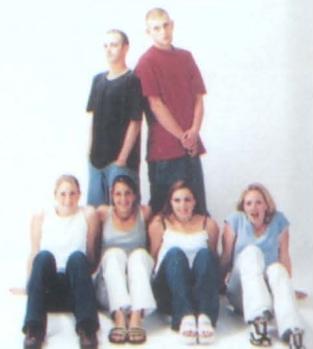

This is the 60th anniversary edition of the Sagitta yearbook. The Class of 1940 was the first class to produce a yearbook, and they chose the name of Sagitta and used it as their theme as well. The theme was carried throughout the book differently than the 1999 Sagitta yearbook. In 1939 a new high school was completed and the class of 1940 was the first class to graduate from a Suffield High School, in the building which is now McAlister Middle School. Before 1939, after the completion of eighth grade students had the option of continuing their education and attending Suffield Academy. In 1969 the present high school was finished and the class of 1969

*Congratulations  
Sagitta  
on your 60th year!*

produced a yearbook that looks similar to the 1999 yearbook. Over the years the books have taken on a more professional look with the use of computers and desktop publishing. They have also increased in size from 49 pages in 1940 to the current size of this 1999 edition. Over the years the Sagitta Yearbooks provide us with a historical review of Suffield High School.

"For every ending  
there is a new  
beginning, a chance  
to set new goals,  
to dream new dreams,  
to rekindle the hopes in  
our hearts.

For endings are a way of  
rediscovering ourselves,  
of learning who we are  
and what we need in life,  
of finding out where we  
need to go and who we want  
to be"

### Mysel

I have to live with myself, and so,  
I want to be fit for myself to know;  
I want to be able as days go by,  
Always to look myself straight in the eye;  
I don't want to stand with the setting sun  
And hate myself for things I've done.  
I don't want to keep on a closet shelf  
A lot of secrets about myself,  
And fool myself as I come and go  
Into thinking that nobody else will know  
The kind of person I really am;  
I don't want to dress myself up in sham.  
I want to go out with my head erect,  
I want to deserve everyone's respect;  
But here in this struggle for fame and self,  
I want to be able to like myself.  
I don't want to think as I come and go  
That I'm bluster and bluff and empty show.  
I can never hide myself from me,  
I see what others may never see,  
I know what others may never know,  
I can never fool myself- and so,  
Whatever happens, I want to be  
Self-respecting and conscious free.

### Footprints

One night a man had a dream. He saw himself walking along a beach with the Lord. Across the sky flashed scenes from his life. For each scene he noticed two sets of footprints in the sand: one belonging to him, and the other to the Lord. As the last scene appeared before him, he looked back upon the footprints and noticed that many times along the path there was only one set of footprints in the sand. He also noticed that this had happened during the lowest and saddest times in his life. This troubled him very deeply. "Lord," he said, "you promised me once I decided to follow you, that you would walk with me all the way, but I noticed that during the most difficult times in my life there was only one set of footprints. I don't understand why when I needed you the most, you deserted me." "My precious, precious child," the Lord replied, "I love you and would never leave you. It was during those times of trial and suffering, when you see only one set of footprints, that I carried you."

# Advisor Appreciation

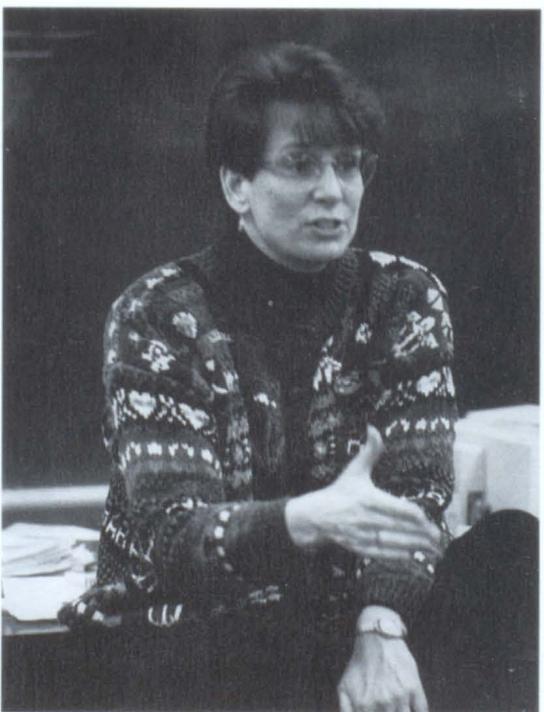

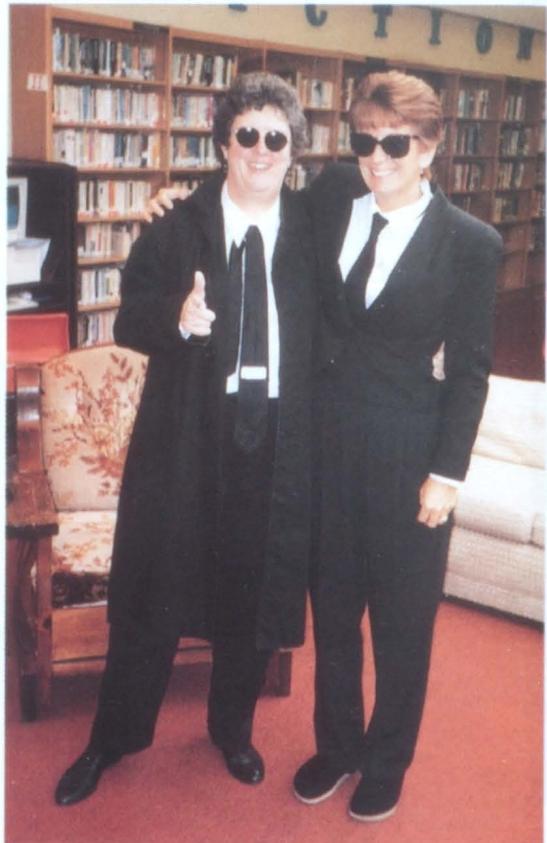

## Mrs. Nancy Lombard & Mrs. Patricia Smith

The class of 1999 would like to thank Mrs. Nancy Lombard and Mrs. Patricia Smith for their dedication as our advisors. The enthusiasm they have put forth has helped us succeed in many tasks such as Suffield on the Green, Spirit Night, Proms, and all our senior events. Their guidance has helped us make decisions for our class and with our lives.

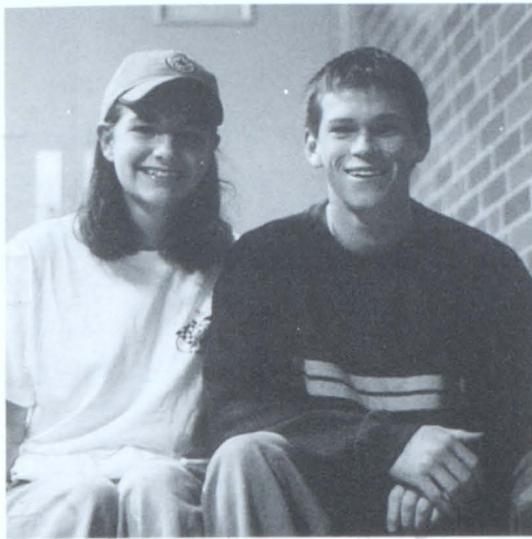

The dedication they have shown our class is truly remarkable, from morning meetings to Sunday afternoons. We greatly appreciate the support and encouragement of our wonderful advisors Mrs. Smith and Mrs. Lombard. We could not have done it without them!

Thank you,

The Class of  
1999

# 1999 Senior Class Council

In the upper left picture class president Joanna Begin and vice president Patrick Garvey enjoy the fun and fame of senior year. Class secretary Tiffany Chan and class treasurer Corky Dunphy stand back and smile for the upper right picture.

For the bottom picture the class representatives take a moment to relax and have fun during a serious meeting. This year was a new experience for the council. Instead of the traditional three representatives, we expanded to thirteen dedicated students to help with the hectic senior year. The representatives pictured are: R.C Hubbard, Jenifer Topor, Amanda Griggs, Samantha Lombardi, Stephen Foy, Marcy Lemire, Leanne Crowley, Brett Cameron, Arianne Semar, Becky Osowiecki, Jenifer Suppa, Addy Marsh, and Danny Aniello.

# *unlock the* **future**

This year's underclass  
is staying strong with  
over 500 students.

According to the  
faculty:

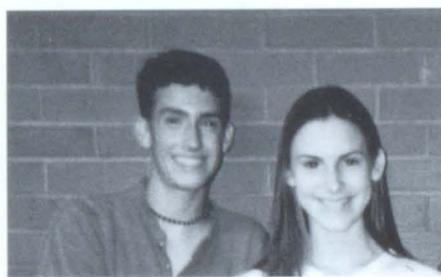

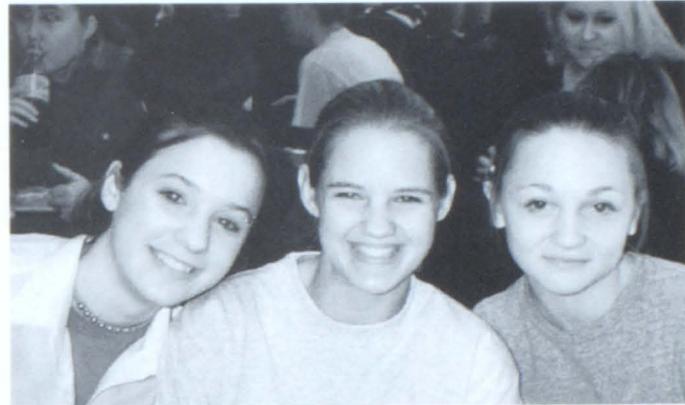

The Freshmen are  
adapting well, yet they  
are still "young,"  
"immature," and  
"flirtatious."

The "bright"  
Sophomores are  
"getting there" during  
their hardest academic  
year.

The "fun-loving"  
Juniors are as "social"  
as ever, and are quite  
excited with  
anticipation for their  
upcoming Senior year.  
Keep up the good  
work!

# And the Survey Says...

Underclassmen were asked what their opinion was on the topic of the newly introduced Block Scheduling. Here are a few of the responses we received...

**TIME  
OF  
YOUR  
LIFE!**

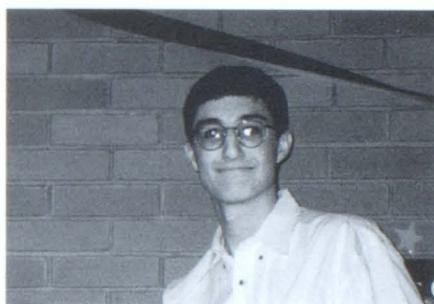

"It's fine." -- Kevin Goff, Sophomore

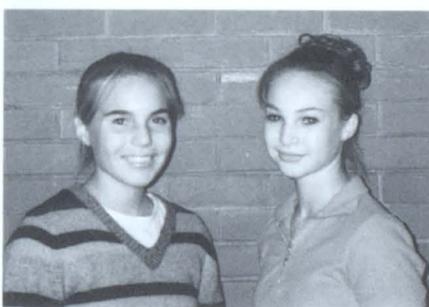

"Teachers should be more sympathetic and let us go to the bathroom. Overall, it's okay though."  
-- Sarah Frilingos, Junior

**TIME  
TO  
HIT  
THE BOOKS**

"I think block scheduling is an okay idea. It stinks that we are in 93 minute periods for our academics, but it's okay for our study halls."  
-- Evan Tarracciano, Freshman

**POINTS  
of  
VIEW**

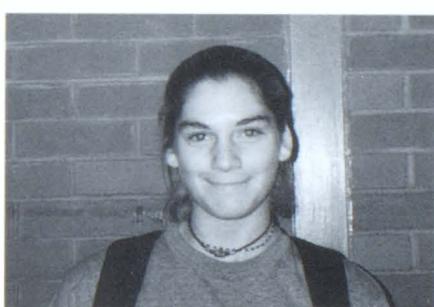

"Down with block scheduling!"  
-- Amy Modzelesky and Eileen O'Conner, Freshmen

"It's great, except for the short pass times and extra homework."  
-- Andy Bak, Junior

*Editor's note: since this quote was taken, passing time has been lengthened to seven minutes.*

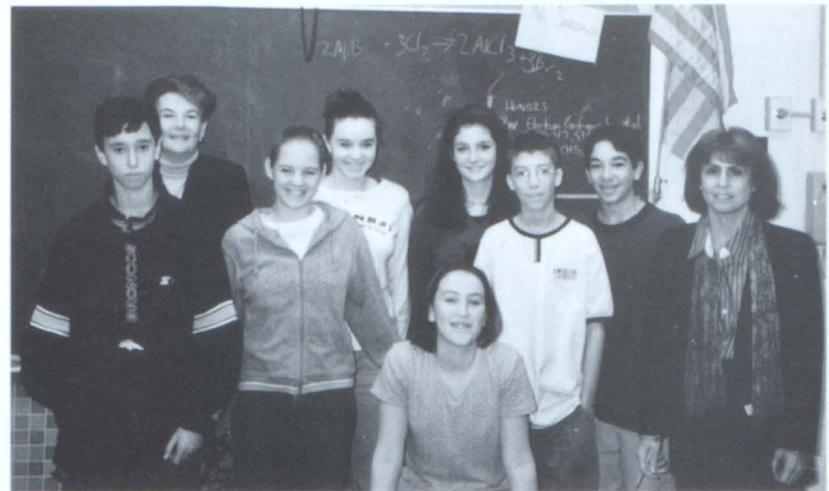

**TIME  
ON  
OUR  
HANDS**

"It's impossible to ask kids to sit still and listen to teachers to lecture for an hour and a half."  
-- Nancy Hackenyos, Sophomore

## Suffield Says Goodbye to Dr. Douglas!

The Suffield school system suffered a great loss this year with the leaving of long-time superintendent Dr. Bruce Douglas. During the nine years of service to our school system he enjoyed watching classes mature from the grade schools of Bridge Street and Spaulding, to reaching triumphant feats in both athletics and scholaststics. By fostering a safe learning environment, Dr. Douglas showed the heights that the educational process could reach. As Dr. Douglas moves on to the challenges afforded him at Capital Regional Education Council, a magnet school, we in Suffield will miss his support and leadership. Dr. Douglas, thank you for the guidance you provided to the students and families of the Suffield School System.

## Dr. Mager to the Rescue!

The Suffield School System found itself in a transitory stage this year, as superintendent Dr. Bruce Douglas left to take a position at the Capital Region Education Council. The Board of Education, though, found a capable replacement. Brought in for the job of interim superintendent was Dr. Louis Mager, a retired superintendent whose qualifications were more than adequate. For twenty years, Dr. Mager directed the Enfield Public School system as superintendent before retiring in June of 1992. Restless for the challenges that superintendence brings, Dr. Mager decided to help other school systems in need of interim superintendents by offering his services. Suffield is lucky and proud to be the seventh school system that he has helped in the search for a new superintendent. Thanks Dr. Mager!

# unlock the future

In the 1998-1999 school year the number of clubs have declined. Since the full block was put into effect there was no room to fit in activity period. Even though participation had declined in clubs it didn't decline in school activities. Spirit Night was a full blown event this year, so was Suffield on the Green, along with many other activities. This shows our student body is willing to get involved. When it comes to having a good time Suffield High School students know how to make it happen.

# YEAR BOOK STAFF 1999

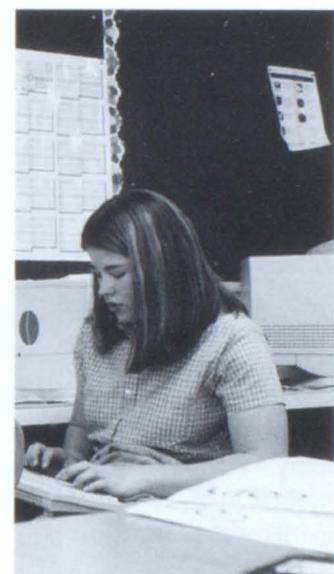

*Out of*

The Sagitta yearbook staff worked hard this year to add many new changes to the 1999 yearbook. We changed photographers and have been happy with the results Steinmentz Photography has given us. We also chose a new cover design, straying from the lithograph covers of the past, to create a more formal look. The Staff put in lots of hard work to improve the 1999 Sagitta Yearbook. Thanks to everyone for all the help and hard work.

# SUFFIELD ON THE GREEN

It was a hot September weekend. Our usually quiet town came to life for our annual Suffield on the Green festival. Adults, teenagers, and children crowded the green from the gazebo to the Hatheway House. The younger children gathered around the class booths to win prizes such as fish or temporary tattoos. Others enjoyed the music of the Suffield High Camerata or the delicious food and informational booth the South Green had to offer. The two day festival was enjoyed by all and is always an important event for the town of Suffield.

# SEMI FORMAL

Once again in November the cafeteria transformed for an evening of mingling and dancing. This year's theme "November Rain" brought a huge crowd of eager students, friends and faculty. Guest DJ's Danny Aniello, and Bekah Hayes really got the party started. Co-chairs Amanda Griggs and Brett Cameron would like to say "thank you" to the hard working committee members, whose help made the night a wonderful success.

# BLOOD DRIVE

On May 8, 1998, a blood drive was run by the 1998 Life Ed. II class and Mrs. Lombard. Seventynine pints of blood was given, and eighty-eight students participated. The goal was to reach hundred pints of blood. Their goal may have not been reached, but about two hundred thirty-seven lives were saved in one day! Special thanks to the foods class for all the food.

# MUSIC

In the music department this year our teachers have gone above and beyond. Camerata is going to Germany over the April Vacation of 1999. The Symphonic Band may be going to New Jersey. The Symphonic Band also performed in the Big E Parade. The Vocal Ensemble has had many students go to the NCCC festival. Both Vocal Ensemble and Symphonic Band have had many students make the regionals. The music department is like family and stands by each other's decisions.

# SPIRIT NIGHT SPIRIT WEEK

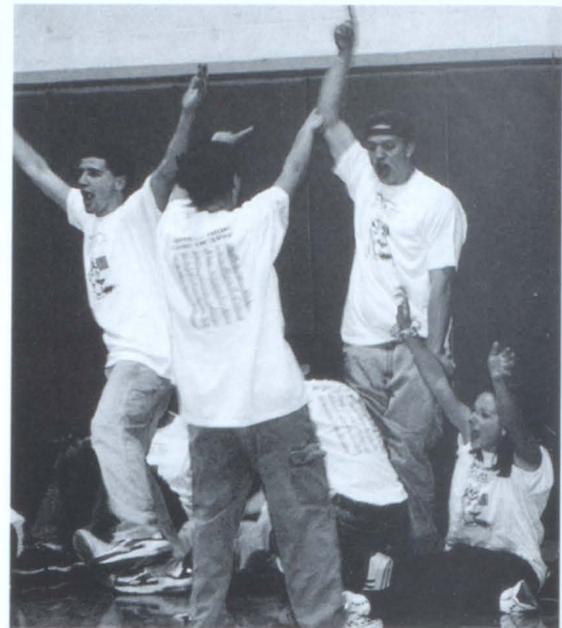

Spirit Week and Spirit Night were a great success. The class of '99 won Spirit Week for the first time. Joanna Begin and Corky Dunphy co-chaired Spirit Night this year. As usual the night was filled with wacky competition. Once again the class of '99 was victorious, winning almost every event. To much surprise, the freshman class took an astonishing third place over the juniors. While the sophomores impressively took second. Overall it was a fun-filled night.

The sports teams this year excelled in their performance. The boy's outdoor track team became class "S" state champions in 1998. The girls varsity soccer team were NCCC league champions and class "S" state champions. The boy's varsity soccer team also excelled by winning the NCCC championship, and class "M" state runner up. Boy's cross country also broke new ground as NCCC conference champions and class "SS" state champions.

The Men's Junior Varsity Soccer Team got off to a slow start this season. But they turned it around after their first six games by winning their last ten. "A guy like Coach Jones only comes around once in a lifetime" said top scorer Dan Presser of second-year coach Dan Jones. Good luck next year!

# Men's Varsity Soccer

The Suffield High School Men's Varsity Soccer team had an exceptional 1998 season. Having lost eight seniors last year, they had to come back strong. They did, winning the NCCC championship and were runners up in the State Tournament. The team was lead by captains Addison Marsh, Patrick Garvey, and Erik Rugar. Though the team is graduating 10 seniors, the team should be strong for years to come.

# Varsity Field Hockey

Suffield Field Hockey had a great season this year. This was their most successful season, they really made a name for ourselves. The team was really excited about their new coach, Mrs. Casinghino. She really got the girls into shape and gave them a lot of valuable knowledge about the game. For the eleven seniors on the team it was the perfect season to end on.

# Cross Country

Many miraculous things happened this year on the **Men's Cross Country Team**, many things that they all set out to achieve. They began their training this year back in the beginning of July, they trained hard all through the summer to create a base to work off of come the start of the season. They all encouraged each other at practice, pushed each other, and tried their hardest. All of the hard work and determination paid off when they won the conference title. But they were not through yet, a week later they won the class "SS" state championship. They had set out for these goals and achieved them. This year's team has been the most successful cross-country team in Suffield history, but this is only the beginning.

# Football

The Windsor Locks/Suffield football team was one play away from making the states, having a division title and a chance at the conference title. Justin Whitman, a senior line-backer, offensive guard and captain says "We had the best season record since the 80's but I'm still disappointed we were not in the State playoffs." Senior fullback and co-captain Bob Carleton broke the Raiders record for the most yards in one season with over 1,300 yards in only 9 games. Dave Maratea played like an All-State tackle and Lance Powell was a great running back. Mike Gryniewicz, Scot Braun, John O'Brien, and Mike Rossi also played well.

# Varsity Cheerleading

This year's Cheerleading squad was a great one. Consisting of highly spirited and dedicated women, the season continued on as always with success. Everyone on the team was bonded together in a sisterhood that drew us all closer and encouraged us to continue on with pride. The team truely showed that there is no "I" in cheerleader by working not only as a team but as a family.

The SHS Gymnastics team tumbled their way to success this year. Co-captains Steph Rubenzahl and Heather Beaudoin helped lead the team to many victories. Lisa DiRosa, a sophomore, placed first all around in most of the meets during the season and Jen Rancourt also scored many points for the team. Liz Simison, Keri Kehoe and Fawn Harris also contributed to the team's success. Considering the lack of practice space and time, the girls had a very rewarding season.

# Indoor Track

This year's Indoor Track team, led by captains Julie Tyo, Tiffany Chan, Matt Chaney and T.J. McCabe, accomplished many great tasks. The men's team defended their NCCC title and the women won NCCC for the first time in the history of indoor tract at SHS. Furthermore, both teams won the H-K Invitational. The season was challenging for the Varsity Baseball Team this year. With only four returning players, the young team looked to team leaders Stephen Foy and Callum MacKinnon for guidance. With a huge victory over East Granby in the final game of the season, many of the players are very optimistic for next season. "A lot of promising things happened in the last game. We showed that next year will be a year to remember," said Callum. With the entire varsity team returning for next season, the team is looking forward to a great 1999 Spring season.

# J.V. Baseball

Coming off a rather poor performance the past year, the Junior Varsity Baseball Team rebounded this year with a 12-4 record. Having a positive team attitude, the team was very successful.

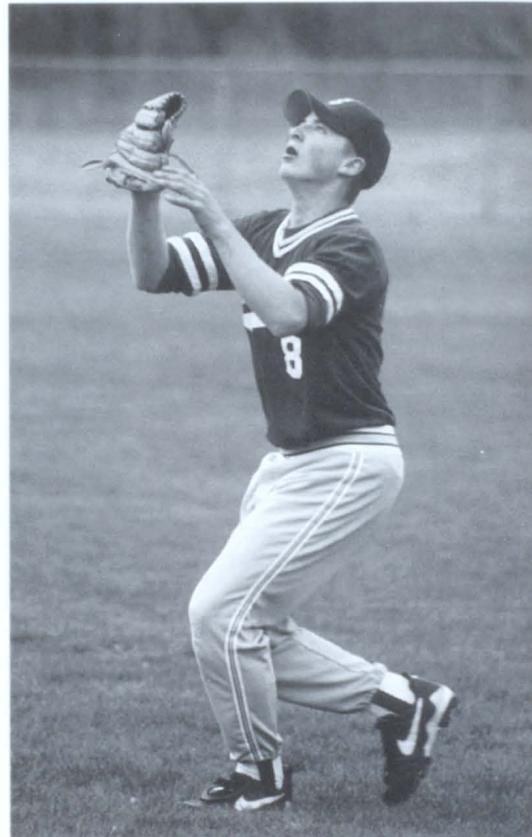

"Coach Saunders taught us well," claimed Mike DiRosa, who along with his teammates, hopes to make an impact on the varsity level next season.

With the help of seven upperclassmen, Junior Varsity Softball had a powerful season. Our team was very effective both on the field and behind the plate. "Our coach made our season a lot of fun. The best part was how well we got along. We are a very well rounded team," said Meg Parks. Miranda Gogulski added, "We had fun on and off the field. Next year will rock!" The other girls agree and look forward to a challenging season.

# Varsity Softball

Although the 1997-1998 Women's Varsity Softball team had a record of 2-14, the team was extremely talented. Many of the losses were by four runs or less. One game in particular was a one-run game against E.O. Smith, one of the toughest teams in the conference. Not only do the girls know that they have talent, but so do the opposing coaches as well as the umpires. The team often heard, "This is the best Suffield team I have seen in years." And, the Windsor Locks coach, a man who normally reserves himself and never gives compliments, said "You girls are great and this was one of the most exciting games I have seen." Undoubtedly, Suffield softball will surprise the conference in the years to come.

# *unlock the* Future

Another turning point,  
a fork stuck in the road.  
Time grabs you by the  
wrist, directs you where  
to go. So make the best  
of this test and don't ask  
why. It's not a question,  
but a lesson learned in  
time. It's something  
unpredictable, but in the  
end is right. I hope you  
had the time of your life.

# ~ WHAT'S HAPPENIN' ~

Remember that survey we handed to all the seniors at the beginning of the year? Well the results are in. We asked questions like your favorite actor, actress, clothing store, restaurant, TV program, TV talk show, radio station, music group, and movie. This is what you, as seniors, reported as hot for the last four years. Now you can look back and remember the stuff we thought was cool.
